Are you someone who wants to earn over ₱100,000/month and is willing to spend just 20 minutes a day adding American business owners on LinkedIn using our simple copy-paste guide – consistently? *

☐ Yes, I want to earn for my family. ☐ No, I'm happy being broke.

We want high income earners!

Do you love the idea of earning bonuses like 🏠 Hotel stays, 📺 iWatch, 📱 iPad bundles, 🏍️ 160cc Motorbikes, 🏠 Condo rent, 🏠 Airbnb down payments, 🚗 Toyota Hilux down payments – and are you willing to do simple daily work and build your team to make it happen? *

☐ Yes! I love these perks! ☐ No, I'm a boring person.

We want you to have a good life!

I understand that this is a high-paying business as a ministry to help end poverty and empower self employment. It's free to start working from my phone, and the small price for lifetime CebuVA Virtual Angel Club membership is optional. 🌐 🇵🇭 What Type of Virtual Angel Do You Want to Be? (All types can earn instantly—you're not paying for a job, you're unlocking community access.) *
